Vol.1, Issue 1, October 2018

The Honourable Chairman, Shri Sanjay Bansal enlightened the students about the power of youth. The foundation theme of D B G I speaks about "Siddhi r bhavat

i Karmaja", that is Success is born of Action, which further means, "Success is sweet but its secret is sweat". This simply is the reason to have trust in hard work that showers sprinkles of achievements and success on our students. "I'm extremely happy to witness the same fire of success in the temperament and enthusiasm of our students. In addition, I'm extremely proud to be the chief protagonist of such a fabulous educational fraternity which attempts to display the spectacular spectrum of talent residing in the cognitive domain of the students," he concluded.

## Jashn-E-Azadi

Dev Bhoomi Group of Institutions celebrated the National Independence Day with great fervor and patriotism, along with the Guest of honour, Board of management, staff and students. The National Flag was hoisted by the Honorable Chief Guest, Retd. Major General Laji Singh, followed by the singing of the National Anthem by our worthy Chairman Mr. Sanjay Bansal ji , Managing Director Mr. Aman Bansal, Director General Shri Rajkumar Sharma, Registrar Dr. Manish Kumar Mathur, faculties, students and all the members present on the occasion.

## DBGI welcomes Fresher's in 'AAGHAZ'

On Saturday, the 22nd of September, 2018, the Dev Bhoomi Group of Institutions hosted 'AAGHAZ', a fresher's party with lots of fervor and pomp.

On this occasion, Chairman Mr. Sanjay Bansal welcomed the new batch of students and briefed them about some of the do's and don'ts of college life. Mr. Aman

Bansal, the Managing Director DGBI also gave them tips to grow up to be good students. Colorful, eye-catching cultural programs were arranged like Bollywood dance and singing. There were 8 pairs of elegant students', who presented cat walk on the ramp, competing for Mr. and Miss. Fresher 2018 selected Mr. Sankalp and Miss. Hamed Berma.

# News from Placement Cell

## 28 companies recruit 170 students

The Dev Bhoomi Group of Institution, Dehradun has secured an enviable placement record. Around 28 companies have offered 170 placements to the students of various courses in the institution in the month of September. The salary packages offered to students ranged between 2LPA to 12 LPA. Some of the companies that visited the campus for recruitment were Eossum Tech Pvt Ltd, Ziggle Tech, Stellar Data Solutions, Benchmark, Cynet, Swiggy, Tech Mahindra, Academia Guru, Just Dial and Value Prospect. The students were also offered internships by HCL.

### Training & Placement Cell

Jatender Shah, the student of Mechanical Engineering Department DBGI secured placement with the package of 12 LPA in EDAG. The students of Computer Science & Engineering, Shivangi, Gaurisha, Himani and Nishant were selected by the Ziggle Tech with the salary package of 6LPA. Ria Bansal, the student of BBA got placement in PIBM with the package of 4Lakh per annum. The students of MBA, Sonia Sharma, Mitali Sharma and Abhishek Gupta got placed in Academia Guru with the salary package of 3.5LPA. The students of other departments of DBGI also achieved desirable placements. The students made DBGI proud by achieving impressive placements and salary packages. The excellent and innovative teaching pedagogy and the Training and Placement Cell of DBGI always acts as an intermediary between Industry and the university.

### Teacher's Day

At Dev Bhoomi Group of Institutions teachers' day was celebrated on departmental level, where

students from different departments and courses showcased their talents in

the form of dance, music and play. Some students even role played their teachers, making the celebration fun-filled. Some inspiring speeches and words of wisdom were given by few faculty members.

### "Campus Se" of AIR Dehradun

On behalf of AIR Dehradun, Transmission Executive Shri Anil Dutt Sharma organized a "Campus Say" programme at Dev Bhoomi Group of Institutions premises on Thursday, the 27th September, 2018. He enlightened the students of DBGI on the current issues like the coming forth Lok Sabha Election, 2019, regarding the type of Prime Minister they would like to see. Certain other burning issues, regarding making of Bharat as an Ideal Nation, etc. Umang Jha and Sharad Pal gave their individual opinion of creating a corruption free, clean and educated India. Many students from DBIT, DBIMS, DBIPAR gave performances on cultural programmes. Mr Suman kumar was the guitarist, Chinmoy Joshi the excellent rapper, Rohit Singh sung a melodious song, and many other students performed. This program was broadcast by ALL India Radio on 30th of sept. 2018 and was re broadcasted on public demand on 01 October, 2018.

First experience are always special. So was my trust with one of the leading bellwether of IT services - Infosys Ltd. Currently working as a Senior Consultant with Oracle, DBIT paved the path of my recruitment not only in Infosys, but also in Indian Navt through its campus placement opportunities. Batch of 2011 was not only special because the placement cell was in its 2nd year of functioning, through placement of its students in such a short span.

Thank you DBIT !!

## NEWS FROM DBIT

### Electronics and Communication Engineering Electrical and Electronics Engineering

A seminar on Flexible Electronics was held by Mr. Tarun Jha, MS, University of Florida and founder of Euclid Labs on 1st September 2018. He threw light on Flexible Electronics which is a new trend in electronics industry to handle the increasing burden on chips. This technology is increasingly being used in a number of applications which benefit from their light weight, favourable dielectric properties, robust, high circuit density and conformable nature.

A workshop on PCB Designing using Dip-Trace software was held on 28th September, 2018 by the experts from Insergo Technologies.

The objective of this workshop was to make the students familiar with basic steps of designing the PCB layouts of the electronic & electrical circuits through DIP-TRACE Software. The software is used widely in industries for circuit layout and for simulation. If the simulation is in accordance with the desired result, then the PCB is fabricated.

### Mechanical Engineering

Department of Mechanical Engineering, conducted a guest lecture on "Process Development in Manufacturing Engineering". Knowledge about the same was spread by Mr. Tarun Jha, founder of EUCLID LABS.

Mr. Tarun Jha interacted with the students and discussed some key points on the process development in the field of manufacturing engineering.

The Department of Mechanical Engineering organized an inter-department Mechanical Quiz Competition "Quizanthon" in DBGI campus Dehradun on 18th September 2018. The event

commenced with the 2-round face-off between the teams. Selected teams went through 3 rounds, the Non-tech Round, Technical Round and finally the Buzzer Round.

### Civil Engineering

Department of Civil Engineering organized an activity "Civil Labs Competition '18" on 15th September, 2018 i.e the Civil Engineers' Day. Students performed practicals from different fields of Civil Engineering like Surveying, Concrete technology, Soil Mechanics, Structure analysis, Transportation, Building materials and construction etc. In this competition the students of final and pre-final year (civil) were divided into different groups.

## NEWS FROM DBIT

Each group was to perform maximum number of practicals from different fields of Civil Engineering like Surveying, Concrete technology, Soil Mechanics, Structure analysis, Transportation, Building materials and construction.

On 29th of September 2018, a seminar was conducted by B.Arch on Disaster Management and Risk Assessment. On this occasion the students of B.Tech Civil, Polytechnic Civil and B.Arch were present.

The seminar included analysis of advanced theories and practices required for facing the challenges of crisis and mass disaster events.

### Computer Applications

Department of Computer Applications, organized a lecture on "SEO and Digital Marketing" by TCS ion from Mohali, on 17th September 2018 in DBIT.

The Delegates from TCS ion shared their knowledge and experiences about the search engine optimization and its use in the field of digital marketing.

A one day workshop was organized on "Robotics Process Automation" by Mr. Ankur Mathur from SG Information Pvt Ltd, Bangalore on 20th September 2018 in DBIT seminar Hall.

Robotics Process Automation and enlightened the students about various job opportunities available in this field in the corporate as well as in research sector.

Department of Computer Applications, DBIT Dehradun, has organized a two day workshop on "Python Programming" by Dr. Kiran Kumar, Mr. Pushpendra Kumar, Mr. Nitin Arora from UPES on 28th & 29th September 2018 in DBIT.

The workshop was divided into four sessions. In first session, students got benefited by the basic and essence of python programming followed by practical based training in next 3 sessions in computer lab.

## NEWS FROM DBIT

### Management Department

### Department of Forestry Guest Lecture on Statistical Applications

On 29 Sept 2018, Department of Forestry organized a guest lecture on "Statistical Applications in Forestry" by Dr. Raman Nautiyal

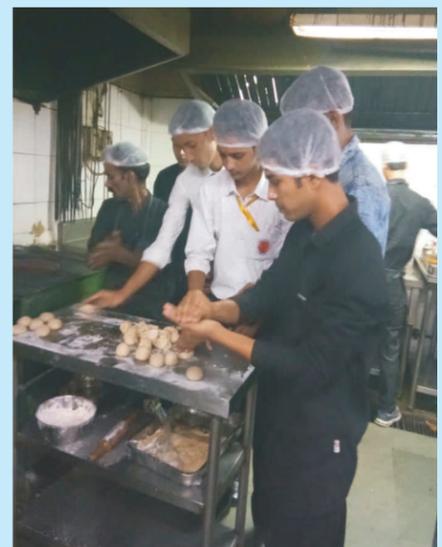

Scientist-E from ICFRE, HQ, FRI Dehradun. Dr. Natiyal discussed about role and importance of statistical studies in daily life. He also discussed about the implementation of statistical analysis in forestry.

### Department of Hotel Management

#### Hotel Industry visit by students of Hotel Management

The Hotel Management Department organized Industrial visit for students of Hotel Management on 29 Sept, 2018 to nearby Hotels. They visited Hotel Regenta and Hotel Competent Palace, during the visit the student learnt actual operation of Hotel Industry. The Front Office Manager of Hotel Competent played host to student and briefly discussed the entire operation. Many questions were raised by the students which were well answered by the host. For students it was an eye opener for trade they have chosen.

## Department of Architecture

### Educational Tour to Guru Ram Rai Gurdwara, Dehradun

The students of Dev Bhoomi School of Architecture were taken for an educational visit to Guru Ram Rai Gurdwara, famously known as Jhandaji Gurdwara, near Saharanpur Chowk, on 7<sup>th</sup> September, 2018.

The Gurdwara, which is believed to be the origin of the city of Dehradun, is a marvelous architectural example symbolizing strength and respect. Speaking of Architecture, the building is a visible blend of Indian and Mughal architecture. From the arches to the paintings on walls, all speak of the revolution in the Indian architecture with the advent of the Mughals in India. The symmetry in design and presence of water bodies and symmetrical gardens are some typical Mughal building topologies. On the other hand, the jharokas, jalis and Indian arches brought in the touch of Indian architecture.

The sole purpose of taking the students to this historic place was to revisit the past and learn the principles of design applicable in the building. It shows the transition in materials being used for construction. The students indulged in live sketching taking in the minute details of their surroundings. They were highly intrigued by the minute details and the planning typology of the main building and the surrounding buildings.

### Construction Yard Practice

An event of construction yard practice was organized by DBSA on 20<sup>th</sup> and 21<sup>st</sup> September in which the 1<sup>st</sup> and 2<sup>nd</sup> year students of Dev Bhoomi School of Architecture participated and learned about the masonry laying techniques and the processes involved. The event was organized to make them understand the basic material of construction by familiarizing and working with them. Students learnt about the mortar and its mixing and the ratio between, sand, cement and morum with the appropriate ratio of water. They also learnt about the quality, defects and class of brick i.e. first class, second class and third class brick by observation, appearance and sound test.

They learnt to make various brick bats and closures with various masonry tools. This exercise helped them to understand about masonry tools like shovel, hammer, plumb bob, thread etc. and their proper use and handling with safety.

### One day seminar on Risk and Disaster Management

Department of Architecture hosted a one day seminar on Risk and Disaster Management on 29<sup>th</sup> September, 2018 in the Ayurveda seminar hall. The invited speaker for this event was Ar. Anshuman Shukla.

The seminar which was organized for the students of architecture and civil department mainly focused on the importance of earthquake resistance structures and the management required for various disasters both natural and man-made. It also focused on the modern architecture and mechanical techniques that could be adopted to achieve life safety in case of such disasters.

The seminar turned out to be informative for all the students and the faculties as well. It was followed by an interactive session with students where they put forward their doubts relating to the subject.

## Department of Pharmacy & Research

### SREEJAN 2018

Dev Bhoomi Institute of Pharmacy & Research, Dehradun organized World Pharmacist Day on 25 September 2018 with an epic of SREEJAN. The theme of World Pharmacist day, 2018 was "Pharmacist: Your Medicine Expert".

On this occasion students of DBIPR participated in various co-curricular & extra-curricular activities like; Quiz Competition, Calligraphy competition, Poster making and Static model representation, Pot painting, Taste and tell, Rangoli Competition and Group discussion etc. Event started with an Inauguration Ceremony which was initiated by Dr. Jhuma Samanta (Director, DBIPR) and Faculty members. Further events were lined up by student coordinators. Programme ended with distribution of prizes to winners. One hundred fifty plus participants from both B. Pharm and D. Pharm took part in different events. Integrity and enthusiasm among the students were noticeable.

Dev Bhoomi Institute of Pharmacy and Research, Dev Bhoomi Group of Institutions, Dehradun organized Pharmaceutical **Technical Quiz Competition** (Pharma Rxpert). Pharma Rxpert'2018 was organized with two levels. Preliminary round was held on 15<sup>th</sup> September'2018. There was an elimination round on general science, general knowledge, current affairs related to pharmaceuticals. Students participated with great enthusiasm in technical quiz competitions. One hundred twenty plus students participated in this event. Participation was enrolled from all 4 semesters of B. Pharm and 2 semester of D.Pharm. Top 40 performers were selected for final round. Ten teams were made, each comprised of 4 students. Final round was held on 18<sup>th</sup> September' 2018. Final round was more subject-specific. Questions were made from Pharmacchemistry, Pharmacology, Pharmaceutics and Pharmacognosy, Microbiology and Biochemistry. Each and every question was in the standard of different national level pharmaceutical examination. Three winner teams were selected as per their performance. A team of faculty members and students of B. Pharm 3<sup>rd</sup> year organized all events with a dynamic preplanning. All rounds were evaluated by external judges. Stipulated rules and regulations were followed for competitions. Pharma Rxpert'2018 was a successful in extraction of talent of students related to their academic expertise.

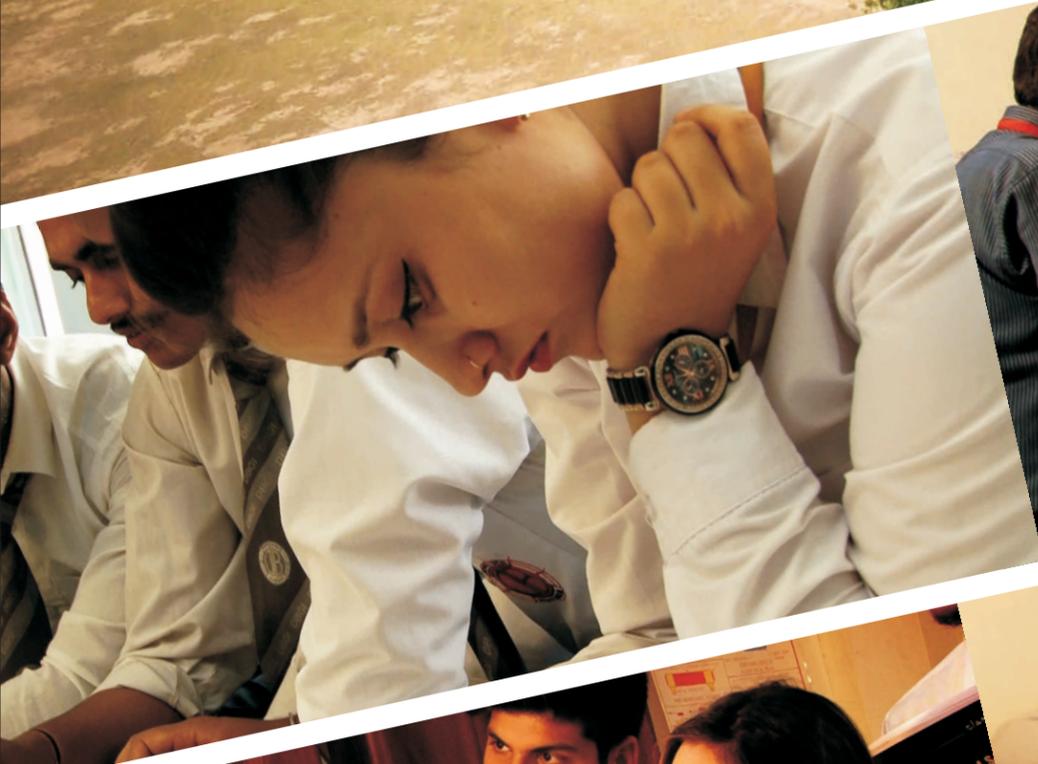

### Dev Bhoomi Institute of Pharmacy & Research, Dehradun

DBIPR organized a guest lecture on topic Toxicological aspects on 29 Sep,2018 delivered by Prof (Dr.) A. C. Rana (Dean & Director of Kurukshetra University). He discussed the toxicology and pharmacology of drug and its minutest details. The students and faculty members of B.Pharm 3<sup>rd</sup> year and D.Pharm final year attended the lecture. Feedback of the lecture was excellent. **Topic: "Toxicological aspects of Drug"**

### Report on Pharma Rxpert

## \*\*\*Dowry System\*\*\*

Discount season,  
Fresh and new.  
Grooms for sale,  
Smooth and few.

Auction begins,  
Thirty,  
Thirty-five,  
Forty.

Forty- once,  
Self-respect begins.  
Clear the deal,  
Make her seal.

Forty-twice,  
Self-respect lies.  
Ups and downs,  
Cash to be count.

Forty-thrice,  
Make her cry,  
Groom sold,  
Self-respect dies.

National rules ,  
Preserve by fools.  
I don't say that,  
They tell you.

Dowry is just a word,  
But it means alot.  
It destroys family,  
By the morang kindly.

Branch- BTECH {CSE}

याद

**"भिखारी"**

कटोरे में लिए भगवान्, वो मांग रहा था भीख  
मैंने पूछा नाम उसका, तो बोला वो रफीक

उसके हाथ में भगवान् देखके, गुस्सा मुझको आया  
उस जाहिल भिखारी को मैंने, धर्म का पाठ पढ़ाया

कैसा इंसान है रे तू जिसे धर्म का नहीं ज्ञान है  
तेरा मालिक अल्लाह है, और हिन्दू का भगवान् है

बुजुर्ग था वो भिखारी, गुस्से से मेरे डरने लगा  
चुप रहा कुछ पल को, फिर बात अपनी कहने लगा

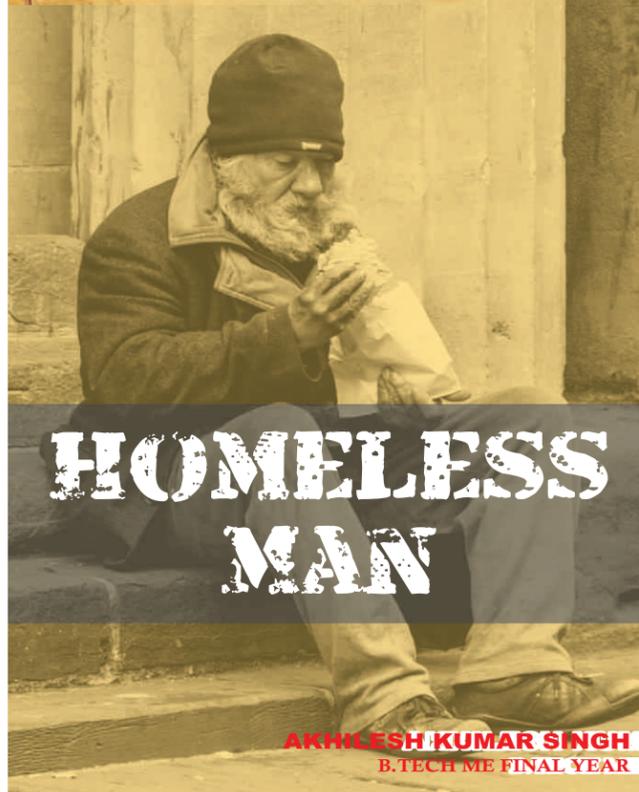

मैं अनपढ़ एक भिखारी हूँ, आप सा मुझको ज्ञान नहीं  
यह मेरी रोजी के साधन है, अल्लाह और भगवान् नहीं

जो दिन जिसका होता है, उस दिन वो नाम चिल्लाता  
अल्लाह-भगवान् के नाम पर ही, मैं अपना घर चलाता हूँ

मंदिर-मस्जिद-गिरिजा-गुरुद्वारा, सब जगह में जाता हूँ  
जो मज़हब भरता पेट मेरा, उस मज़हब का हो जाता हूँ

जिसे अनपढ़-जाहिल समझा था, वो मुझको सीख दे गया  
कटोरा उसका खाली रहा, मेरी झोली में वो भीख दे गया

चला गया वो वहाँ से, उसे जाते मैं देखता रहा  
भिखारी वो था या मैं, बस यही सोचता रहा

बब बब बब  
बब बबब

अरे दरिंदो अभी बस वो चली थी  
फूल भी कहाँ अभी तो वो कली थी,  
एक मासूम के बारे में ऐसा कैसे सोच लिया,  
नाजुक से उसके बदन को भेड़ियों की तरह नोच लिया !!

अरे वो भी किसी के जिगर का टुकड़ा होगी,  
अपने पापा के लिए चाँद जैसी मुखर होगी,  
अपने इंसानियत को सुली पे चढ़ाने में जरा सा भी ख्याल न किया,  
रुह ने तुम्हारी तुमसे क्या सवाल नहीं किया !!

वो दुर्गा की रूप है उसको क्यों इतना सताते हो,  
मर्द अगर हो तो जानवर के जैसे क्यों खुद को जताते हो,  
एक वक्ता आएगा जब पानी सर से ऊपर गुज़र जायेगा,  
पवित्र से इस धरती पर उस दिन भुंताल सा आ जायेगा !!

" माँ की ममता "

धन्य है माँ की ममता, धन्य है माँ की ममता ।  
माँ का उपकार चुका दे, किसमे है ये क्षमता ॥  
प्रसव वेदनाओ से लडकर, तब माँ ने सुत पाया ।  
पुत्र हुआ कानों से सुनकर, सूखा गुल लहराया ॥  
छाई खुशी अपार नहीं है, दुख की चिन्ता ।  
धन्य है माँ की ममता, धन्य है माँ की ममता ॥  
मम्मी पापा दादी बाबा, कहना मुझे सिखाती ।  
मुझे सिखाने के खातिर, माँ खुद गूँगी बन जाती ॥  
बेटा मेरा बने कमिशनर, केवल यही सुहाता ।  
धन्य है माँ की ममता, धन्य है माँ की ममता ॥  
पढ़-लिखकर जब हुये सयाने, वधू व्याहकर लाये ।  
टूट गया माँ से नाता, तनिक नहीं सरमाये ॥  
फिरभी माता आस लगाये, ऑगन खेले पोता ।  
धन्य है माँ की ममता, धन्य है माँ की ममता ॥
