DEV BHOOMI
GROUP OF INSTITUTIONS
• DEHRADUN • SAHARANPUR • KURUKSHETRA

GENESIS

Dev Bhoomi Group of Institutions is one of the fastest emerging Institution, not only in Uttarakhand but also has its sister concerns in Uttar Pradesh and Haryana in the field of higher technical education with a strength of over 13000 students spread in various professional education spectrum. DBGI imparts practical education based professional courses in almost all the fields.

DBGI is the name known for its excellence and innovations in the field of imparting quality education. It is a campus with huge infrastructure across three states and versatile courses, We have more than 50+ courses in the field of engineering , management , architecture , pharmacy, mass com, forestry, agriculture and aureveda.

In this session, we organized 8 conferences and 6 FDP and 25 workshops and 50 Guest Lectures on different subjects, the motive is to focus on innovative and research.

Our students are working for some very famous companies in the country in different functions. We at DBGI strongly believe in the creation of good quality human resource with training of intellectual minds. To help students stand-out and gain competitive edge over the others, we stress on developing both functional skills and exceptional practical outlook. The Training and Placement cell works tirelessly , towards ensuring employment for all students across various industries and helping budding entrepreneurs in establishing successful businesses. The department organizes activities and workshops at a regular basis to enable students to be effective team leaders and players.

OBJECTIVE

HR Summit is an annual gathering hosted by DBGI to create a positive ambiance that aids sharing the best experiences, insights understanding, industry affairs and the latest advancements in the field of HR.

In today's globalized world the constant expansion in all industrial categories is a landmark declaration of development in itself. This declaration shows that HR functions undergoing constant development in the path of technology with Artificial Intelligence . It also directs HR managers to engage to keep themselves strengthful, powerful, and passionate for shaping new business relationships.

The idea of a combined engagement of all eminent HR under one umbrella is to discuss the today's trends of Artificial Intelligence in all the fields , so that the technological development will help youth to find new ways of career opportunity.

The exchange of ideas by eminent corporate people will give direction to youth and facilitates an environment that motivated then to touch the clouds.

“
**HUMAN RESOURCES
ISN'T A THING WE DO.
IT'S THE THING THAT
RUNS OUR BUSINESS.**
”
